Governor Assured Civil Service Commissioner of This, After a Conference

ANOTHER MEMBER MAY BE ALLOWED TO STAY

UNTIL LAW REMOVES HIM

When the Barnes-Moore Measure Abolishing the Commission Goes Into Effect In Two Months—Executive Refused to See Scores of Callers Before Going to His Home In Ada

(ASSOCIATED PRESS TELEGRAM)
Columbus, O., June 18.—Samuel A. Hoskins, chairman of the state civil service commission resigned today. He sent a letter to Governor Willis saying he would complete the work requiring his attention on the commission and leave his position July 15. At the governor's office it was said the resignation would be accepted, since it is submitted in compliance with the governor's request as made to 14 members of state boards and commissions two months ago.

Governor Willis today devoted a large portion of the short time remaining before his departure next Tuesday on his western trip to considering the civil service situation. He talked with Charles H. Bryson, member of the commission for more than an hour and it was reported he promised not to file charges against Mr. Bryson, and remove him from his position.

Charles I. Brown, the other member, may be allowed to retain his place until the commission is abolished when the Barnes-Moore law goes into effect in two months. Mr. Brown was expected to offer his resignation to the governor immediately, however. It was reported also Mr. Bryson might consider his former determination not to resign.

The governor also conferred with representative Barnes of Hamilton county, one of the authors of the civil service bill and with May Fessler of Cleveland, secretary of the Ohio civil service association. Mr. Fessler told the governor in his opinion it is illegal for public employees to organize for the purpose of assisting in any referendum. He also declared the civil service association's executive committee will meet in about two weeks to decide whether to conduct a referendum on the new merit system law.

Unofficially it was said at the governor's office today that no action would be taken to oust any members of commissions before Governor Willis returns from his trip to San Francisco, July 19. By that time most will have been legislated out of office by new laws.

The governor planned to go to his home in Ada today and remain there until late tomorrow night. He refused to see scores of callers today who wanted to discuss appointments.

German Naval Officer Missing From Ship

This is Lieutenant Brauer, either first officer or executive officer of the Prinz Eitel Friedrich, the interned German war vessel at Norfolk, who has been missing for some time, notwithstanding the implied promise of the commander of the vessel to keep all his men within reach. It is believed by the federal authorities that Brauer has left the country with some other members of the crew. Collector Hamilton at Norfolk has learned that Brauer left the vessel before she was officially interned. The commander, he said, promised that none of his men would leave the ship without guard, and Admiral Beatty had given permission for the officers to go about in a territory restricted to Newport News and nearby places. Brauer, the commander now admits, is not on the vessel. Surgeon Nolte of the Eitel Friedrich, it was reported, was arrested the other day, disguised as a cook on an Italian steamship at Algiers.

DOUBTS

EXPRESSED IN BERLIN IF GREEK WOULD PRECIPITATELY JOIN ALLIES

Even if Former Premier Comes Again to Power, as Result of Recent Elections.

(ASSOCIATED PRESS TELEGRAM)
Cologne, June 18.—(Via London)—The Cologne Gazette has published a dispatch from Berlin concerning the outcome of the recent elections in Greece, in which doubt is expressed as to whether M. Venizelos would be unconditionally in favor of armed intervention on the side of the allies, even in case King Constantine should again entrust him with the conduct of affairs.

It is rather to be assumed that M. Venizelos, the Berlin dispatch goes on to say, is following the developments in the Dardanelles very closely; that he has noticed England's admission that progress there is possible only with great sacrifices, and that the latest attempts to induce Bulgaria and Rumania to co-operate with the allies have failed. Conditions in that quarter of the world have changed since last spring.

MAIL SACKS OPENED BY THE BRITISH

Formal Protest from Sweden Is Lodged With The State Department

WITH A REQUEST THAT PROMPT ACTION BE TAKEN

U. S. POUCHES BROKEN

Letters Open and Censored In England, According to Representations of Swedish Minister—Two Specific Instances Cited—May Cause Note On Subject to Be Sent.

(ASSOCIATED PRESS TELEGRAM)
Washington, June 18.—The first official protest growing out of reports of the interference with the mails since the European war began was before Secretary Lansing, of the state department today with a request for action.

The complaint in point was that lodged with the secretary by Swedish Minister Ekengren, who in a letter written on instructions from his government, stated that United States mail pouches destined for Sweden had been broken into in England, that letters had been opened and censored and that one registered unit had been retained. The communication recites two specific instances of interference with United States mail for Sweden, pointed out that such acts were in violation of the provisions of the world postal convention, and asked that appropriate action be taken.

While state department officials declined to indicate what, if any action, would be taken, it was said in diplomatic circles that representations probably would be made by the United States to Great Britain, asking that special precautions be taken to protect American mail passing through British territory. Postal authorities have aimed to prevent just such a complication. The day Italy declared war, they ceased routing mails for German and Austria that way. No mail for Germany or Austria has been sent on ships touching at ports of the allies.

When Dutch lines for Rotterdam announced they would call at Falmouth, the postal authorities notified the lines that they could not carry German mails. In every instance the steamship lines cancelled calls at Falmouth, rather than lose the mail pay.

It was said at the post-office department today that no request had yet been made by the state department for information on Swedish mails, and that no complaint of those mails being opened had been lodged with it.

ACORNS RESORTED TO AS FOOD BY THE STARVING GREEKS.

(ASSOCIATED PRESS TELEGRAM)
Douglas, Ariz., June 18.—Lack of food in the towns and farming districts have driven most of the people in eastern Sonora into the mountainous sections, where they are subsisting on acorns and pitillas fruit, a species of cactus, according to reports received here today.

Hundreds in addition to those already in the hills have been forced to leave their homes in the Campas district, it is reported, because of the confiscation of the wheat crop by General Trujillo, Villa commander, for his troops. Only a small portion of the crop was given to the civilians.

German Ambassador Has Formally Denied Knowledge of Any Secret Agent; Meyer-Gerhard Is In Berlin

(ASSOCIATED PRESS TELEGRAM)
Washington, June 18.—Count Bernstorff, the German ambassador today personally informed Secretary Lansing that neither he nor any member of the embassy staff had any knowledge of a Dr. Alfred Meyer, said to have been secretly in this country buying war supplies.

Published reports have alleged that Meyer returned to Germany under a safe conduct obtained for Dr. Anton Meyer-Gerhard, from the al-

lies by the United States at the Ambassador's request. The Ambassador also assured Secretary Lansing that Dr. Meyer-Gerhard never had engaged in any work other than his missions for the German Red Cross. He made no request for an official investigation of the published charges.

Are Two Society Husbands Worth \$500,000?

Mrs. William S. Laimbeer.

Mrs. S. Osgood Pell.

Whether or not the lives of the husbands of Mrs. William S. Laimbeer and Mrs. S. Osgood Pell, two New York and Newport society women, whose families from time immemorial have been members of "the 400," are worth \$500,000, is the question to be settled by New York City juries. Messrs. Pell and Laimbeer, like their widows members of the circle in which travel the various Vanderbilt families, were killed in an automobile at what is known as the Wreck Lead crossing of the Long Island railroad tracks on Long Island, nearly two years ago, and the suits of their widows have just gone to trial.

Laimbeer and Pell with Mrs. Laimbeer were in one automobile which the Long Island road train struck. The two men were killed and Mrs. Laimbeer was painfully injured, so painfully that she has been compelled ever since to walk with the use of a cane, and as a result she also has a suit for \$50,000 damages. Mrs. Pell was immediately behind in an auto with William K. Vanderbilt, Jr. Her party saw the accident.

An interesting feature of the case is the fact that many of the friends of both women are large stockholders in the Long Island railroad company, and money damages must come partly from their pockets.

The photograph shows the two women on their way to court, Mrs. Laimbeer hobbling along on her cane.

Famous Aviator Crashed To Death With His Companion, An American Correspondent

(ASSOCIATED PRESS TELEGRAM)
Paris, June 18.—Lieutenant Reginald A. J. Warneford, who gained fame recently by blowing to pieces a Zeppelin over Belgium, was killed yesterday by the fall of an aeroplane at Luc, France.

Lieutenant Warneford was piloting the machine, which had as a passenger Henry Beach Needham, an American writer, who also was killed.

Lieutenant Warneford and Needham fell from a height of 500 feet. The lieutenant had been spending a few days in Paris where he came after his Zeppelin exploit to receive his decoration of the Legion of Honor.

According to a report received in Paris the accident resulted from an explosion in midair which caused Lieutenant Warneford to lose control of the machine crashing to earth.

Needham's body was taken to the English hospital in Trion Palace, Versailles. He had been in Europe about four months, acting as correspondent of magazines and a New York newspaper. He had received permission from the military authorities to make a flight, in order to get material for a story.

Needham's wife, who also is a writer, accompanied him during the early part of his trip abroad. Mrs.

Needham sailed for America six weeks ago.

Warneford was a young Canadian sub-lieutenant in the royal navy. He suddenly acquired world-wide renown by destroying a Zeppelin over Belgium on June 7, this being the first time on record that a Zeppelin had been wrecked by an aviator in an aeroplane. By a brilliant flight Lieutenant Warneford obtained a position above the Zeppelin and dropped bombs on it. The dirigible crashed to the ground and burned. The 23 men in the crew were killed.

For this feat Lieutenant Warneford was decorated with the Victoria Cross and the Cross of the Legion of Honor.

Lieutenant Warneford made his first flight at Hendon, England, less than five months ago, and had been with the flying squadron only a few weeks.

Henry Beach Needham was a native of Wyncote, Pa. He was born in 1871, studied at Brown University, was admitted to the bar in 1894 and joined the staff of the New York Evening Post in 1896. Later he contributed to magazines. He became well known through his investigations of labor and living conditions in the Mesaba Range, Minn., and on the Isthmus of Panama.

Meyer-Gerhard, who has come from the German embassy at Washington with messages bearing upon the German-American situation, upon the preparatory work of Germany's answer to the American note, is not thus far perceptible. Count Von Bernstorff's emissary began today the first of a series of important conferences with officials of the foreign office. He spent most of yesterday with the secretary of state, for the

PRESIDENT IS DEFIED BY A VILLA LEADER

IN REPLY TO WILSON'S STATEMENT RECENTLY MADE TO FACTIONAL LEADERS

Hostile Reception by Head of Coalition Government in Mexico City—Washington Stirred.

(ASSOCIATED PRESS TELEGRAM)
Washington, June 18.—Francisco Lagos Chazaro, the latest president of the Villa-Seapata coalition government in Mexico City today replied to President Wilson's Mexican statement by challenging the consistency of the president's declaration with his much discussed Indianapolis speech.

President Wilson's statement served notice on the factional leaders that if they could not accommodate their differences the United States would be constrained as Mexico's nearest friend to help Mexico save herself and serve her people. Chazaro says the convention government cannot reconcile that with the president's declaration in Indianapolis that he had no disposition to interfere in Mexican affairs. "But," says Chazaro's reply received today at the state department, "we continue to conjecture that the general idea of President Wilson's declaration is to help us in a friendly way."

If the President's declaration is to be construed as a threat, Chazaro adds the convention government "will maintain the dignity of the Mexican people."

Chazaro's hostile reception of the president's statement coming close on General Villa's reply which decidedly reflected a receptive mood, stirred up a good deal of attention in official circles. Chazaro is supposed to be a Villa man.

German Newspaper Says It Would be Foolish to Drag United States Into Conflict

(ASSOCIATED PRESS TELEGRAM)
Berlin, June 18.—The Cologne Gazette points out editorially that Germany press in general has shown satisfaction that President Wilson's note offers opportunity for an understanding and expresses the belief that diplomacy on both sides of the Atlantic will work with zeal and good will to this end.

It is quite certain the German government at least will do this, and will be generally supported therein by the people the paper continues.

"It would be pure imbecility to seek to drag in without necessity a ninth and tenth enemy for ourselves even though its participation in the war should be limited to supplying the quadruple alliance with money and munitions."

"We say without necessity; for recognition of the fact that Germany is acting in self-defense in using the torpedoes of its submarines against hostile merchantmen, so long as England maintains its business blockade against us, should we believe be a condition the United States should recognize as preliminary to negotiations."

In a leading article entitled "Lad Advice" the Cologne Gazette takes the Lokal Anzeiger to task for attempting to palliate the British "starving out policy" and exportations from America of war supplies. Conceding that the cutting off of supplies is an accepted method of

ADVANCE OF TEUTONS IS CONTINUING

And Austrians Claim an Important Position Has Fallen to Them

RUSSIANS, HOWEVER, DO NOT ADMIT THIS LOSS.

DUKE NICHOLAS' STRATEGY

According to Petrograd Report Has Enabled Him to Change His Center Three Times—French Advance In the West—Straits May Soon Be Open to Traffic of Allies.

(ASSOCIATED PRESS TELEGRAM)
London, June 18.—The Austro-German forces in Galicia are still advancing on the schedule made by General Von Mackensen. Vienna claims that part of the heavy fortified Grodek region, where the Russians have concentrated, has fallen into the hands of the Teutonic forces. Petrograd does not admit the loss of any part of this district, but states that Russian forces have gathered there for the defense of Lemberg.

In a long review of recent operations, on the eastern front the Russian war office admits frequent retirements before superior numbers, but declares the Russian attacks left the Austrians and Germans so exhausted that their opponents often were able to resume the offensive. The reports state that the strategy of Grand Duke Nicholas enabled him to change his center three times and that the efforts of his antagonists to attack these various concentrations has caused certain signs of demoralization on their part.

The French are still on the offensive along a wide front, with the Vosges again figuring in the official communications after a period of comparatively quiet. Two days of hard fighting have meant many small advances for the French, with the repulses of part of the German counter-attacks. Paris reports that in the Arras region alone the Germans used eleven divisions, which suffered heavily. A significant phase of the operations is the small number of prisoners reported by either side. No definite news from the Dardanelles front has reached London, but a sudden drop in the Russian exchanges indicates that the Russian either have received an intimation of an important success in that region or that some other reason they now take an optimistic view regarding the prospects that the straits will soon be open to the allies.

Bulgaria continues to express her uneasy neutrality by negotiating with both sides.

SHEPARD M. DUNLAP, W. U. MANAGER IN COLUMBUS IS DEAD.

(ASSOCIATED PRESS TELEGRAM)
Columbus, Ohio, June 18.—Shepard M. Dunlap, 65, former manager of the Columbus office of the Western Union Telegraph company, died at his home here early today. Mr. Dunlap, who had held the position of manager here for a quarter of a century, suffered a nervous breakdown about two years ago. In appreciation of his long and faithful service the company retired him at that time upon a comfortable pension. He had a wide acquaintance especially among public men of Ohio, with whom he frequently was thrown into intimate contact.

Hair Under Arms Removed with El-Rado

The latest styles in evening dresses and sheer blouses require the absolute removal of all hair from the arm-pits. And there is only one really satisfactory way to accomplish this. Shaving makes the growth return thicker and coarser than before. The first growth of hair on a man's face is more fuzzy. Yet witness the coarseness of any man's beard after a short period of shaving.

Pastes and powders which have to be scraped off and which irritate the skin also promote future growth. So-called "permanent" treatments are painful and dangerous, as any physician will tell you.

Thousands of women have found that El-Rado, the sanitary, colorless liquid, affords the only really satisfactory method of removing the hair. It is not rubbing or scraping. Merely saturate the hair thoroughly and leave for a few minutes. Then the hair falls out. It will not return for a long time. When it finally does reappear, it will be finer and softer than originally. So that another application of El-Rado will remove it once more for a still longer period. On account of its highly antiseptic properties, the same ingredients are now being used by physicians for hair removing. El-Rado is not an experiment. It has been in use for years for the removal of all hair blemishes.

The better druggists and dealers in toilet goods sell and recommend El-Rado. Two sizes, 50c and \$1.00. Money refunded without question or red tape, if you're not more than pleased. Get a bottle today so you can apply it tonight.

Send a postal for booklet, letters of users and full information or enclose stamps or coin and we'll gladly fill your order by return mail in plain package. El-Rado, Inc., 100 East 28th St., New York City.

Remedy—Try It**

For quick, positive relief from constipation, sour stomach, biliousness, inactive liver, bad breath, and all the ills that follow them nothing as yet has been found to quite equal that old, time-tried compound of may-apple root, aloes and jalap.

Recognized as one of the standard remedies, physicians daily prescribe it, many preferring it to all others, and especially calomel. They like it because, being purely vegetable, it's not nearly as harsh as calomel; it never gripes; is never followed by any of the dangerous after-effects that so often result from the use of calomel.

This standard remedy, ready-prepared, may now be had under the name of **Sentinel Laxative Tablets**. Be sure you get the original Sentinel Laxatives, put up in the box that has the picture of the soldier on it. In this form it is much more convenient and easier to take than in the old-fashioned powder or capsule form—cheaper, too; a 10c box of Sentinels should last one several weeks. RAIN STORMS HEAVIEST IN MANY YEARS

EXTENDED OVER OKLAHOMA, KANSAS, MISSOURI, IOWA AND NEBRASKA.

Early Reports of Loss of Life and Much Damage to Property Are Not Confirmed.

(ASSOCIATED PRESS TELEGRAM)

Kansas City, June 10.—Twelve persons were killed as a result of the wind and rain storms that prevailed in this section of the southwest last night. More than a score of others were injured, none fatally, according to latest reports.

Five members of the family of John Burges, a farmer near Onaga in Pottawatomie county, were killed and two seriously injured in a tornado which swept the county early today.

(ASSOCIATED PRESS TELEGRAM)

Kansas City, June 10.—Reports of loss of life, and great destruction of property, during the high wind and heavy rain storm that prevailed throughout Missouri last night, and early today, were unconfirmed here. It was reported that there was a tornado at Hermann, Mo., about 100 miles west of St. Louis, but news of this had not been received at the general railway offices in St. Louis at 10 o'clock today.

Reports of the tornado that struck Paris, Mo., last night said that a hotel had been blown down, but this has not been confirmed.

Yesterday's rains which extended over northern Oklahoma, all of Kansas, Missouri, Iowa and into eastern Nebraska, were the heaviest in years, according to reports to the weather bureau today.

Near Lamonte, Mo., high winds unroofed houses and leveled small buildings, but as far as known, no lives were lost.

Although the storms had diminished in violence today, they extended over central Iowa and occupied a district of 800 miles. Des Moines being the eastern edge of the affected zone.

The disturbance was moving in the direction of the Great Lakes.

At St. Louis, Mo., much damage was done by flooding of cellars following a two-inch precipitation. The lowlands near the city were inundated but residents were able to move their property to safety.

Many miles of railroad track in the affected district was swept away and today all trains entering Kansas City were hours behind schedule. Southern and northern trains were marked from four to five hours late, while eastern and western trains were from one to three hours behind. Because of washouts between Kansas City and St. Louis, Missouri Pacific trains were detoured over the tracks of the Santa Fe.

NAVAL EXHIBITS WILL BE FEATURE OF THE OHIO FAIR

(ASSOCIATED PRESS TELEGRAM)

Columbus, June 10.—Fourteen inch shells, models of the newest United States dreadnaughts, machine guns, a giant gun chassis, war aeroplanes and modern rapid firing rifles are included in the federal government's exhibit of military instruments which may be placed at the Ohio State Fair here next September.

Assurances were received at headquarters of the fair today that the exhibit would be sent here for the week of the fair if possible. Officials immediately reserved part of a special building for the collection, several features of which are so large that part of the side walls will have to be taken out to get them in. This is true particularly of the big gun chassis.

The exhibit attracted much attention recently at New York, where Secretary Daniels sent it for a week. The display includes actual instruments or models of a large part of the government war machines which are not of secret design. One of the most interesting features is said to be a 21-foot submarine torpedo of the latest type. The newest hostile automobiles are also shown. James W. Fleming of the agricultural commission, who has charge of advance arrangements for the state fair said he expected to know within a few weeks whether the

war and navy departments will send the exhibit.

The fair management happens to have reserved part of the same building in which the war instruments are to be shown, "For the safety first" display.

"We had no intention of teaching any moral lesson by placing the two exhibits under the same roof," said Mr. Fleming.

The industrial commission is arranging for a "Safety First" exposition similar to that held here several weeks ago at which scores of industries and labor organizations were represented. Advance plans for the state fair indicate that the automobile show will be one of the main attractions.

The complete program for the fair will be announced about August 1, it was said today.

colonies. Dr. W. S. Solf, at the latter's country place, following brief conversations with Gottlieb Von Jagow, the foreign minister and under Secretary Zimmerman.

That Dr. Meyer-Gerhard's first extended report on conditions in the United States should have been made to Dr. Solf is regarded as natural, in view of the official position of the Colonel Secretary; and there are other indications Dr. Solf is taking an interest in the question of German-American relations and may play a role in the deliberations upon Germany's second answer regarding the Lusitania disaster.

Of the men in higher government positions Dr. Solf is one of those most familiar with life and conditions in the United States. He has, in fact a good deal of the American in his manner of talk and action. His influence on Germany, especially that it is evident that there are conflicting currents, may be expected to be favorable to an ultimate understanding.

It is still too early to predict what form the German note will take. Apparently an endeavor will be made to open the way to further discussions.

The newspaper war between advocates of a friendly settlement and the "non-compromise" representatives continues to rage. Naval writers in particular urge that Germany cannot afford to yield an iota regarding the principles and practice of submarine warfare, but the very violence of their attacks upon the advocates of an understanding indicates that the former are without influence.

NEWARK EAGLES' HARD FIGHT FOR THE CONVENTION

The local delegation of Eagles who were in attendance at the Eagles' convention at Lorain and who captured the state convention for this city, arrived home today. They state that they had a hard fight on hand, Zanesville and Marietta working hard for the honor.

Newark's claims were presented to the convention by D. A. Murphy, the well known mail carrier, and it is said that he made a most convincing speech, Des B. Kirk, city editor of the Lorain News, and William Bolton formerly of this city, but who has been in business at Lorain for a number of years, were also a great help to the Newark delegation.

Only one ballot was necessary. Newark winning out with a vote of 157. Zanesville was next with 73 and Marietta secured 62.

The Eagles' convention will bring thousands of people to this city. There will be a big parade, contest drills, numerous bands and entertainment for the delegates. At Lorain Thursday it was estimated that there were 20,000 visitors in the city.

AND NICHOLS WERE DISAPPOINTED IN MEDAL PLAY IN GOLF TOURNAMENT

James Barnes Western Open Champion and Frenchman Lead the Field.

Short Hills, N. J., June 18.—Yesterday was a day of surprises in the competition for the national golf championship. The uncertainty of the game was never more clearly demonstrated than during the first two holes to win some of the

half of the seventy-two-hole medal play competition on the links of the Baltusrol Golf Club. Some of the pronounced favorites were virtually eliminated, while other players, prizes, if not the championship, were considered to be rather remote, finished well up in the leading division

GILBERT NICHOLS.

The condition of the course and the weather could not have been better for a good test of golfing ability, but calculations based on previous form were upset in many instances.

At the conclusion of yesterday's play James M. Barnes the Western open champion, and another professional, Louis Tellier, formerly cham-

plon of France, led the field with scores of 146 strokes each. Starting out with a 71 for the morning round, Barnes played his way gallantly to the top of the list. Tellier had a splendid round in the afternoon, and it seemed as if he would break 70 when he was four holes from home, but he finished weakly. Mike Brady, of Boston, stands second on the list, due to a fine 71 in the afternoon, and Jerome Travers in third with two corking rounds of 76 and 72. He was out in 35 in the afternoon, but he too was unable to defeat the record of the course. Of course he is easily the first amateur.

Tommy McNamara is up among the leaders, as usual, and he, too, made a 71 this afternoon under ideal scoring conditions. The tall, strong professional of the Buffalo Country Club, R. G. McDonald, completes the list of those under 150. He is playing very well indeed.

Gilbert Nichols was a disappointment, for he totaled just under 160. Followers of Francis Ouimet, and he has had hundreds, realize that he is practically out of even the prize winners' list, as the elimination of all over 155 is virtually assured.

Those returning cards of 155 or under were as follows:

BLUBAUGH WAS BATTED HARD AS NEWARK SLUMPS

Findlay, June 18.—James Black, Findlay's new pitcher from Lexington in the Ohio State league proved too much for the Newsecks Thursday, allowing only three scratch hits, one walk and fanning eight. This was Black's first game with Findlay. He batted out one home run, a single, and a sacrifice fly. The other time at bat, he hit to the pitcher.

Two walks from Blubaugh in the first, two hits and Wratten's error in the second resulted in the first two runs. Findlay was held until the eighth when a three bagger by Werner, home runs by Costello and Black, two walks and a sacrifice hit by Chapman told the story of the five runs. Findlay played tight without an error against them. Newark played good ball throughout, although they could not hit Black.

Black pitched four balls in the ninth, two being hit to Blue at short and one a fly to Werner. He pitched but ten balls in the eighth inning, fanning Blubaugh, Hager and Blubaugh. Although a little wild, Blubaugh, Newark's new pitcher, pitched fair ball but nearly every one of the Findlay sluggers made at least one hit.

NEWARK BESTED BY ZANESVILLE IN GOLF PLAY

Twenty-four of the top-notch players of the Mountbuilders Country club went to Zanesville to play their second match of the season. The results were exceptionally close and in view of the fact that the match was played on a course strange to many of the Newark men, was therefore particularly gratifying. When the final count was made it was found that Zanesville had won by only one point. Many of the matches were very close and exciting.

The Newark team was entertained at lunch and dinner by the Zanesville club, and the men all stated that they had the time of their lives.

Following is the score:

Newark—Manning, 1-2; Hundley, 1; Scott, 3; W. C. Miller, 0; C. S. Whipple, 1; Hollander, 2; Franklin, 1; Demming, 2-2; Webb, 0; Helsey, 0; Graesser, 1-2; McGrudder, 2-2; Kilpatrick, 0; Orcutt, 1; Herzog, 3; J. H. Jones, 3; Welant, 3; Maddocks, 3; Black, 3; Lewis, 2-2; T. Collins, 1-2; Hunt, 0; Hatch, 0; Dewey 1-2. Total points, 35-12.

TRY BASEBALL AS A CURE FOR THE INSANE

[ASSOCIATED PRESS TELEGRAM]

San Bernardino, Calif., June 18.—Baseball as an insanity cure is to be tried out at the state hospital here. The first game of a series to be played by teams made up of patients and attendants was scheduled for today. The effect of the sport upon the patients will be carefully noted.

MATINEE RACES DREW CROWD TO DRIVING PARK

An exceptionally fine program consisting of seven events was given at the driving park yesterday afternoon, and it attracted a large crowd, everyone being well repaid for attending.

Several of the races went an extra heat and in the first event, Class A pace, four heats were necessary to decide the winner in this race Ben B. Jones displayed excellent sportsmanship when his entry threw a shoe in the first heat. In the second heat as they turned to score a tire came off one of the bike wheels, but Owner Jones jumped off the seat replaced the tire on the wheel in a few seconds and went on and won the race. Spectators at the track now dub him "Pop" Greers.

Previous to the first race Mr. L. D. Corbett, who has taken a great interest in the driving club, called the members together and on behalf of Oxley Brothers presented the association with three silver loving cups, and the conditions under which they were to be contested for.

The next matinee will be announced with a few days. Owing to the fact that the new Masonic Temple will be dedicated near Thursday afternoon the races which were booked at that time may be postponed.

Merchants' Trip.

A party of more than fifty Newark business men visited Hebron, Kirksville, Etna, Pataskala and Jersey yesterday giving the entire day to the automobile trip.

The day was delightful, roads were good, the people throughout the section visited were cordial and hospitable and the entire party returned home well pleased with the trip.

The purpose of these trips taken under the auspices of the Newark Business Men's Association is to bring the city and the country into closer relationship, to let the city and the country get better acquainted, to study the farm and the small town problem as well as to bring to the attention of the people of this county the fact that Newark, the county seat, in a growing, prosperous city with real stores that compare favorably with those of larger towns.

The growth of Newark and the success of local merchants mean greater farm values and better markets for farm products and on the other hand, the prosperity of the farmer and the country merchant means greater prosperity for the county seat.

A week ago the towns of Granville, Alexandria, Johnstown and Croton were visited. There will be no trip next Thursday because of the Masonic Temple dedication, but on July 1st, the merchants will take a ride to Jacksontown, Lunville, Thornville, Glenford and Somerset. Trips to the northern and eastern sections of Licking county are also planned.

In this connection the Advocate is pleased to invite attention to a series of "Buy at Home" articles which will appear in this paper beginning tomorrow. Money spent at home remains in circulation at home, while money sent or taken to a distant city says "Farewell Forever."

A G. O. P. Disappointment.

It is rather amusing to note the comments of some Republican newspapers on the probable effects of ex-Secretary Bryan's resignation from the cabinet upon the Democratic party. Some of them are predicting a split between the supporters of the president and the friends of the Nebraskaan in 1916. After noting the comment upon the resignation of Mr.

June 18 in History.

1812—Congress declared war against Great Britain for these reasons: The impressment of American seamen by British ships of war, the British doctrine and system of blockade, the Orders in Council and, lastly, depredations on the commerce of the United States.

1815—Decisive battle of Waterloo, near Brussels, Belgium. Napoleon Bonaparte, with 70,000 French, attacked an army of 67,000 English, Dutch and Belgians. The action lasted from noon until dark, when Prussian reinforcements led by Marshal Blucher joined Wellington and routed the French army.

1860—England ceded Heligoland to Germany.

Cotton Industry.

In May American cotton mills used 26,353 bales of cotton more than they used in May of last year. For several preceding months the consumption has been greater this year than last. For 10 months the consumption was \$146,457 bales less than a year ago, because every industry slowed down under the immediate influence of the war. In December the exports were nearly as large as in the previous year, and in every month since they have been much greater. For several months the domestic consumption has been greater than a year ago. The present stocks of cotton are very large, of course, because last year's production surpassed all records, but the growers have very moderate grounds of complaint regarding either the domestic or the foreign trade.—Philadelphia Record.

Neglect of Shakespeare
a Reproach to the
American Stage

By ELLEN TERRY, Famous English Actress

I WISH England and America would build a theater in Shakespeare's honor. You know in Germany you can hardly go into a city without finding a performance of one of Shakespeare's plays, while here and in England of late it is "a custom more honored in the breach than in the observance."

I feel that this neglect of Shakespeare is akin to a crime. For what about the children who are growing up now? Are they to know nothing of the work of the greatest master of the English stage? Must they go through their lives without the wonderful inspiration THAT THE BEAUTY AND POETRY OF SHAKESPEARE GAVE THOSE OF US WHO ARE OLDER AND HAD THE OPPORTUNITY TO SEE HIS PLAYS IN THE FORMATIVE PERIODS OF OUR LIVES?

I have great hopes for the Shakespearean festival planned for next year. It should result not only in a revival of Shakespeare, but it should inspire your young men to do better things of their own.

IF THE SHAKESPEAREAN FESTIVAL NEXT YEAR CAN ONLY DO THIS I WILL BE HAPPY, FOR IT IS FROM AMERICA THAT I NOW LOOK FOR THE REALLY BIG THINGS OF THE THEATER.

THE GIRL GRADUATE.

In school academy and college stands forth the modern cultured girl, her lovely head so stuffed with knowledge it fairly makes her tresses curl. We all lean back in admiration when she stands up to make her speech, the speech, the finest product of the nation, the one serene, unblemished peach. Behold her in her snowy garments, the pride, the honor of her class! A malediction on the varmint who say her learning cuts no grass! "She hasn't learned to fry a waffle," she couldn't fasten on a button, she couldn't save her sweet angelic life! With all her mighty fund of learning, she's ignorant of useful chores; she cannot keep an oil stove burning so it won't smoke us out of doors. The man she weds will know disaster, his dreams of home and love will spoil; she cannot make a mustard plaster, or put a poultice on a boil. Avaunt, ye croakers, skip and caper, or we'll upset your apple-carts! The damsel rises with her paper on "Old Greek Gods and Modern Arts." So please her in a grapevine flagon! Who cares if she can sew or bake? She's pretty as a new red wagon, and sweeter than an old plum cake.

McCANN-BEARD.

On Thursday evening at half after eight o'clock, the elder daughter of Dr. and Mrs. A. W. Beard, Miss Helen Jury Beard, became the bride of Mr. Robert Franklin McCann of Dayton.

The wedding took place at the Trinity Episcopal church, and the color arrangement, pink and white, predominated in all the decorations. June flowers, pink roses and daisies were used in clusters, and the altar was banked with palms and ferns. Festoons of white ribbon were looped to the pews with daisy bouquets.

The Lohengrin wedding march was used for the entrance of the bride party, which was preceded by the members of the choir. The bride was attended by her maid of honor, her sister, Miss Dorothy Beard, the matron of honor, Mrs. Russell Kimmel of Dayton, and six bridesmaids, Miss Juliet Besuden and Miss Mary Sherwood Wright of Newark, Miss Helen Reggs of Terre Haute, Ind., Miss Lucille Horner of Pittsburg, Miss Dorothy McCann of Dayton, and Miss Anna Quash of Brooklyn, N. Y.

The bride was lovely in a gown of ivory tinted chiton satin with the Empire waist line and full court train. The train was caught with orange blossoms as was the full length veil, while the bodice of the gown was of Rose Point lace. The bridal bouquet was a shower arrangement of white roses and swainsonia, with streamers of tulle.

Miss Beard, the maid of honor, wore an "1870" gown of pink charmeuse with ruffles of white tulle, and carried a large cluster bouquet of pink roses. The matron of honor, Mrs. Kimmel was costumed in her wedding dress, carrying the court train over her arm. Her bouquet was of white roses. The six bridesmaids were gowned in quaint costumes of soft pink tulle, with the very full skirts, and Empire waists. The gowns were very short and pink hose and slippers were worn. All carried baskets filled with pink roses, and all the attendants of the bride wore the court veils, caught with the Castle bob forehead bands of small flowers. Just preceding the bride in the bridal party, was the tiny flower girl, Eleanor McCann

of Dayton, who wore a finger dress of white with a pink maline sash. She carried a flower basket.

The bridegroom was attended by his best man, Mr. Henry Stout of Dayton. There were seven ushers, Walter Clyde of Brooklyn, N. Y., Homer Burlek of Dayton, George Curth of Virginia, Chadwick Jury of Newark, Russel Kimmel of Dayton, William Hoffman of Dayton, and Mr. Webber of Cincinnati.

Rev. L. P. Franklin, rector of Trinity Episcopal church read the double ring service. Following the ceremony a reception for which one hundred cards were issued, was held at the bride's home in the Granville road. The wedding colors pink and white were used at the bride home, and daisies and roses intermingled with a profusion of heavy foliage. A three piece orchestra furnished a program for the evening. The bridal table was centered with a mound of pink roses and maiden hair fern embedded in moss.

Surmounting this were two rose bushes caught with pink tulle. The traditional crystal candle holders, with white tapers were used and old fashioned place cards seated the guests. Those at the bridal table were the members of the bride party with Miss Susan Shafter of Dayton, Mr. Charles Crawford of Dayton, and Mr. Dewitt Patterson of Cleveland.

Mr. and Mrs. McCann left for a bridal trip to Michigan, the bride's gown being of blue faille silk with a white hat. They will be at home in the early fall at the Hills and Dales at Dayton.

Mrs. McCann was graduated from The Castle at Tarrytown-on-the-Hudson, while Mr. McCann was graduated with the class of '12 from Denison University. He is a member of the Sigma Chi fraternity.

Among the out of town guests were Dr. and Mrs. McCann, Judge and Mrs. McCann, Mr. and Mrs. George McCann, Mr. and Mrs. Clapper, Mr. and Mrs. Shafter, Mr. and Mrs. Goley and daughter, Miss Mabelle, and Mr. Charles Crawford of Dayton, and Mrs. C. D. Jury, and Mrs. C. E. Jury of Cleveland.

Mrs. F. B. Scott entertained the members of the Social Embroidery club on Wednesday afternoon at her home in North Vine street. The afternoon was spent in needle work and contests. Mrs. Jess Rainey received first prize and Mrs. Harry Rainey second. Eleven members answered roll call. A dainty two course luncheon was served at the close of the afternoon.

The next meeting will be June 30, with Mrs. Harry Rainey, 125 Bucara Vista street.

BLISS-PERKINS.

The home of Mr. and Mrs. J. C. McFarland in West Main street, was the scene of a very pretty wedding on Wednesday evening, when Miss Elsie Perkins became the bride of Mr. Berrie I. Bliss, both of Newark. The ceremony was performed by Rev. A. B. Cox of the East Main street U. B. church.

Mrs. Bliss is the youngest daughter of Mr. and Mrs. Joseph Perkins of Leno, O., to marry to this city. She

was gowned in blue crepe de chine and shadow lace, wearing a large white picture hat and carried a bouquet of white roses.

Mr. Bliss is a valued employee of the Brilliant Furniture company, and will take his bride to St. Hudson avenue until their new home is finished. They were attended by Miss Nancy Perkins and Mr. Robert Oare of Columbus. At nine o'clock Messrs. Yankee, Howard, Coleman, Jeffers, McFarland, and Johnson of the Broadway Dramatic club, serenaded them. After the ceremony they retired to the dining room where a delicious four course dinner was served. They were married in the presence of only a few friends.

On Monday evening, June 14, a party was given by Mr. and Mrs. J. W. Boner of Outville in honor of their daughter Sarah on her fifteenth birthday anniversary. Those present were Misses Sylvia Tatham, Blanche and Doris Leibing, Hazel Legge, Hilda Bostwick, Bernice Morrow, Morna and Ruth Dickerson and Sarah Boner, Bernice and Glorine Boner, Messrs. Carlile and Jay Tatham, Russel Morrison, Roy Eagle, Edgar Avery, Edward Dickerson, Arlie Bliss, Raymond Shafter and George Everingham, Master Robert Boner and Roy Leibing, Mr. and Mrs. Charles Tatham and Mr. and Mrs. William Leibing and Mr. and Mrs. J. W. Boner.

Following the hours, informally spent, luncheon was served.

GRANDSTAFF-HATFIELD.

At 3 p. m. Thursday, Dr. L. C. Sparks joined in wedlock Mr. Alva H. Grandstaff and Miss Jennette H. Hatfield, young people residing at Croton. Mr. G. J. Grandstaff and wife, parents of the bridegroom, witnessed the ceremony which took place at the home of Mr. Sparks in North Fifth street. The young people have many friends who will be glad to offer congratulations.

Mrs. L. P. Franklin entertained with an attractively appointed luncheon at her home in North First street on Thursday afternoon, honoring Miss Mary Neal and Miss Florence Woods of Washington, D. C.

FRAZIER-GARRETT.

On Thursday afternoon at 3:30 o'clock was solemnized the marriage of Miss Mary Garrett of this city, and Mr. Samuel Frazier, son of Mr. Samuel Frazier of Frazeysburg. The wedding took place in the First M. E. church, Rev. L. C. Sparks, reading the service. The bride was attended by Miss Margaret King, while the best man was Dr. H. C. Shaffer.

Mr. and Mrs. Frazier will make their home in Frazeysburg.

Mrs. Frank Sprague entertained with a party children's party on Thursday afternoon at her home in Oakwood avenue, complimenting her daughter Frances, who celebrated her tenth birthday anniversary. The rooms were arranged with flowers and games were played on the lawn. The luncheon was served at tables placed on the lawn, and the favors were paper caps. About twenty-five little guests were present.

Mrs. Frank Meriam is entertaining with a luncheon of pretty appointments at the Country club this afternoon, having as her honor guests, Miss Mary Neal and Miss Jean Barre of Hamilton, Mo. The luncheon table is arranged with crimson ramblers, small pink roses and honey-suckle, the flowers being placed in willow baskets.

The place cards are of pink and seat the following guests: Miss Mary Neal, Miss Jean Barre, Mrs. George Upton, Mrs. Robbins Hunter, Mrs. Ralph Wyeth, Mrs. Frank Webb, Mrs. Fred Mosteller, Mrs. Howard Maddocks, Misses Louise Norpell, Louise Hunter, and Miss Kathryn Simmons of Columbus.

The members of the Evening Euchre club, will honor Miss Helen Brennan with a dinner party on Thursday evening. The club will entertain at the home of Mrs. David Dowden in Hudson avenue, and the appointed hour will be seven o'clock.

The members of the Q. Q. C. club were entertained at the home of Miss Josephine Egan in Buckingham street on Thursday evening. At the conclusion of the club game of five hundred, the souvenirs were received by Miss Ethna Streit and Miss Jalia McCarthy, who graciously bestowed them upon the bride to be, Miss Katherine Shaugnessy.

Mrs. Fred Black honored Miss Mary Neal with a pretty afternoon party on Thursday at her Hudson avenue home. The event was an auction bridge party and the favors for the game were awarded Mrs. Frank Kibler of Hillsboro, O., and Miss Mary Neal. Pink was the predominant color, and roses were used in the decorations of the luncheon table, which was placed on the lawn. Sixteen guests were entertained, the following being from out of the city, Mrs. Frank Robbins of Marion, O., and Mrs. Frank Kibler of Hillsboro.

The members of the Masonic Social club entertained with a delightful dancing party at the Buckeye Lake Yacht club on Thursday evening. A most interesting program was given.

The following were the dancers: Messrs. and Mesdames C. W. Grimm, T. J. Clinis, William Millbaugh, Emmet Edwards, C. M. Roney, K. A. Reinhold, W. E. Shrontz, Misses Lorree Tygard, Olive Kent, Nellie Adams, Bada Johnson, Nora Warrington, Sadie Garrison, Lenora Phillips, Olive Howard, Margaret Moore, Tildie Redie, Gertrude McNeerney, Nellie Smith, Evelyn Murphy, Elma Grove, Dolly Warrington, Lucile Cull, Mrs. Frank Howard, Mrs. Mary Hilliard of Lima, Miss White of Indianapolis, Messrs. Your Boys and Girls

It is a difficult task for the mother who would like to spare her child every pang that is the portion of mortals.

When inexperience courts trouble it is hard to guide and advise without exciting wild antagonism. Then sit and wait results.

But the truthful answers and careful explanations of his mother can remove the mystery from many ugly facts, because his mother's voice has always been the final truth in all of his short life's problems, and that thought is an anchor to him at this time.

It makes us feel badly at times, even a bit hurt, if our good comradeship with our boys seems apparently neglected for more youthful friendships. But he always comes back for loving companionship with mother, asking the solution of new problems his contact with youth has brought to his notice.

In Milady's Boudoir

BY GWEN SEARS.

If you are a blonde you may be apt to freckle this summer, instead of burning, and I know just how much of a rage these same freckles can kindle in the feminine heart. Yet I know a girl whose freckles give her a quaint lamblike charm that is irresistible.

However the charm of freckles is rare and seldom found, and most of us wish to exercise them. I know of no better cream for the purpose than the one I give you here: Petroleum, one ounce; lanolin, one ounce; hydroquinone, one fluid ounce; acetic acid, one fluid dram.

When the face is given to becoming excessively oily in hot weather, an application of toilet cologne after each washing will prove a great preventative of this unpleasantness. For

excessive perspiration there is a pleasant orris powder that can be used on any part of the body. It is especially good for perspiring hands before donning gloves and for the armpits. It is made by combining three fluid drams of phenic acid; five and a half fluid drams of alcohol; six and a quarter ounces of starch and a little essence of violet. Dissolve the acid in the alcohol, add the violet essence, then the starch and orris root.

I have in mind an excellent cream which is used principally for sunburn and which may be applied before going to the sun or even after the face has become burned. White petroleum two and a half ounces; paraffin wax one quarter ounce; lanolin one ounce; water one and a half ounces; oil of rose three drops; alcohol one half dram.

Vigorous Men And Women Are In Demand

If your ambition has left you, your happiness has gone forever unless you take advantage of T. J. Evans' magnificent offer to refund your money on the first box purchased if Wendell's Ambition Pills do not put your entire system in fine condition and give you the energy and vigor you have lost.

Be ambitious, be strong, be vigorous. Bring the ruddy glow of health to your cheeks and the right sparkle that denotes manhood and womanhood to your eyes.

Wendell's Ambition Pills the great nerve tonic can't be beat for that tired feeling, nervous troubles, poor blood, headaches, neuralgia, restlessness, trembling, nervous prostration, mental depression, loss of appetite and kidney or liver complaints.

In two days you will feel better. In a week you feel fine, and after taking one box you will have your old-time confidence and ambition. Be sure and get a 50 cent box today and get out of the rut. Remember T. J. Evans and dealers everywhere are authorized to guarantee them. Mail orders filled, charges prepaid by The Wendell Pharmaceutical Company, Inc., Syracuse, N. Y.

"TIZ" FOR SORE, TIRED FEET-AH!

"TIZ" is grand for aching swollen, sweaty, calloused feet or corns.

Ah! what relief. No more tired feet, no more burning feet; no more swollen, bad smelling sweaty feet. No more soreness in corns, callouses, bunions.

No matter what ails your feet or what under the sun you've tried without getting relief, just use "TIZ." "TIZ" is the only remedy that draws out all the poisonous exudations which puff up the feet. "TIZ" cures your foot trouble so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore and swollen. Think of it, no more foot misery, no more agony from corns callouses or bunions.

Get a 25 cent box at any drug store or department store and get instant relief. Wear smaller shoes. Just once try "TIZ." Get a whole year's foot comfort for only 25 cents. Think of it.

VEGETABLE CALOMEL

Vegetable calomel, extract of the root of the old-fashioned may-apple plant, does not salivate. As a liver stimulant, it's great. It's a perfect substitute for ordinary calomel (mercury); in fact, it's better, because its action is gentle instead of severe and irritating—and it leaves no mean, disagreeable after-effects. Physicians recognize this and prescribe may-apple root (podoophyllin, they call it) daily.

Combined with four other standard, all-vegetable remedies, may-apple root may now be had at most any druggist's in convenient sugar-coated tablet form by asking for Santalax Laxatives. If you forget the name, ask for the box that has the picture of the soldier on it.

These tablets are small, easy to take and are really wonderful little performers.

They quickly clean out the poisons that are causing you headache, constipation, sour stomach, biliousness, dizzy spells, bad breath and coated tongue.

They are mild. They never gripe. And they are a bowel tonic as well as a cleanser and liver regulator. A 10c box should last one several weeks. A Physician's trial package (4 doses) will be mailed you free if you write mentioning this advertisement. The Santalax Remedies Co., 802 Madison Ave., Covington, Ky.

MEDIATION

SUGGESTED AS "THE WAY OUT" BY FORMER SECRETARY OF STATE BRYAN

In Third and Concluding Section of His Statement Issued on "Causeless War."

(ASSOCIATED PRESS TELEGRAM) Washington, June 18.—Former Secretary Bryan in the third and concluding section of his statement on the "Causeless war" issued today suggests mediation as "The way out."

As a preventative of war Mr. Bryan proposes universal extension of his investigation commission peace treaty plan.

"Mediation," the former Secretary of State says, "is the means provided by international agreement, through which the belligerent nations can be brought into conference; time for investigation of all disputes is the means by which future wars can be avoided and the cultivation of international friendship is the means by which the desire for war can be rooted out."

In elaborating his plans for restoration of peace Mr. Bryan urges:

"That neutral nations in adopting peace crystallize sentiment in favor of peace to a coercive force and offer mediation jointly or severally that the warring nations join in a treaty to provide for investigation by a permanent international commission of every dispute that may arise, no matter what its character or nature, and that a world wide educational movement to cultivate a spirit of brotherhood among the nations be undertaken, as the final task of the advocates of peace."

"Great nations cannot be exterminated," says Mr. Bryan.

"Predictions made at the beginning of the war have not been fulfilled. The British did not destroy the German fleet in a month; Germany did not take Paris in two months and the Russian army did not eat Christmas dinner in Berlin. But even if extermination were possible it would be a crime against civilization which no nation or group of nations could afford to commit."

Mr. Bryan continues: "When can peace be restored? Any time now if the participants are really weary of this war and ready for it to end. If any nation is not ready let it state in clear, precise terms."

"The condition upon which it is willing to agree on peace. Then if an agreement is not affected, blame for the continuance of war will be placed on those making unreasonable demands for peace."

To assure permanent peace Mr. Bryan urges that his plan of investigation treaties be adopted by the warring nations.

"A treaty such as those which now protect the peace of the United States," he says, "would give a year's time for investigation and report, and who doubts that a year's time would be sufficient to reach an amicable solution of almost every difficulty. Does any one suppose that the present war would have been begun if a year's time had been taken to investigate the dispute between Austria and Serbia?"

What Thin Folks Should Do to Gain Weight

Physician's Advice For Thin, Underdeveloped Men and Women.

Thousands of people suffer from excessive thinness, weak nerves and feeble stomachs who, having tried advertised flesh-makers, food-fads, physical culture stunts and rub-on creams, resign themselves to life-long skininess and think nothing will make them fat. Yet their case is not hopeless. A recent discovered regenerative force makes fat grow after years of thinness, and is also unequalled for repairing the waste of sickness or faulty digestion and for strengthening the nerves. This remarkable discovery is called Sargol. Six strengthening, fat-producing elements of acknowledged merit have been combined in this peerless preparation, which is endorsed by eminent physicians and used by prominent people everywhere. It is absolutely harmless, inexpensive and efficient.

A month's systematic use of Sargol should produce flesh and strength by correcting faults of digestion and by supplying highly concentrated fats to the blood. Increased nourishment is obtained from the food eaten, and the additional fats that thin people need are provided. Evans' Drug Store and other leading druggists supply Sargol and say there is a large demand for it.

While this new preparation has given splendid results as a nerve-tonic and vitalizer, it should not be used by nervous people unless they wish to gain at least ten pounds of flesh.

GENUINE PRESCRIPTION FOR ALL RHEUMATISM

Satisfaction Guaranteed or Money Back, Says T. J. Evans.

Rheuma—that is the name of the scientific prescription that is putting old rheumatism out of business.

Rheuma cures by driving the uric acid from the blood. It also acts directly on the kidneys and is better for them than most so-called kidney cures.

Porter Smith, Dobbin, W. Va., writes: "I have been a great sufferer from rheumatism for about 26 years. The disease had become chronic. I began taking Rheuma with little faith in its virtues, but was better from the first day I began its use, and at this time have no more pains."

T. J. Evans and all druggists sell Rheuma, and no rheumatic sufferer can afford not to use it. 50 cents a bottle. Your money back if not satisfied.

RUSSIANS

REPORT NOTABLE VICTORY ON
DNIESTER BY CAPTURE OF
8746 MEN

While Austro-Germans are Also
Pushed Back at Another Point
and Destroyed.

(ASSOCIATED PRESS TELEGRAM)
Petrograd, June 17.—Via Paris.
June 18.—A notable success was
scored by the Russians on the Dniester,
above Zurawna on June 14 and 15,
which resulted in the capture of
8,746 men, according to an official
statement issued at the war office to-
night. Austro-German troops are
also reported to have been pushed
back on the same front further to
the southeast while another force
which crossed the Dniester above
Nizniow was destroyed. No comment
is made on the action between Lub-
aczow and the San except to state
that the engagement was "hectic."
The communication follows:

"In the Shavl region and west of
the middle Dniester, there has been
no essential change. All German at-
tacks were repulsed on the 15th and
the engagements continue.
"On the Bzura above Sochaczew
we repulsed on the 16th attacks by
small German forces. The battle
continues.
"Fierce engagements took place
on the 15th between the town of
Lubaczow and the San and in the
region of the village of Krakowice.
"On the Dniester front on the
night of the 16th in the sector be-
tween the Asmenitz and the Strzy-
wers the enemy was thrown back in
disorder.
"Our notable captures on the
Dniester above Zurawna in the
course of the 14th and 15th include
202 officers, 8,744 men, six guns,
21 machine guns, caissons and other
booty.
"On the 15th the enemy crossed
the Dniester above and below Nizni-
ow. The forces which crossed above
were destroyed and those which
crossed below were checked. The
fighting continues.
"In the direction of Chotin be-
tween the Pruth and the Dniester we
pressed the enemy on the 16th."

about eight months ago and the first
annual outing will be held today.
There will be about seventy-five
present and Mr. and Mrs. Walters
will have as their guests Hon. W. E.
Miller of this city, who will act as
toastmaster at the chicken dinner to
be served at the Glass hotel, Mr. and
Mrs. Will Kuster, Mr. and Mrs.
Newton Howard, Charles Goldsmith,
Mrs. John Voemans and daughter,
Miss Mabel Young.
After the dinner dancing will be
enjoyed at the pavilion and later a
boat ride will be taken around the
lake. Manager Will D. Harris of the
park has also kindly invited all the
members and their guests to enjoy
the concessions at the park free of
charge. There is no doubt but that
the hotel men will have a very en-
joyable outing.

OFFICIALS WILL SOON RETURN TO THE SIMPLE LIFE

MANY WILL FOLLOW EXAMPLE
OF OTHERS AND SETTLE IN
COLUMBUS

Homer C. Price Will Return to Priv-
ate Farming Interests—Plans of
Some Others.

(ASSOCIATED PRESS TELEGRAM)
Columbus, June 18.—The ranks of
private citizens will be increased by
a score of recruits from state official
positions within the next few months,
as terms expire or laws abolishing
the offices go into effect. Most who
will lose their official heads already
have made plans for returning to private
life, and following the many-
years-old example of state officials, a
number will settle in Columbus. O.
P. Landis of Ottawa, president of the
agricultural commission, which will
be replaced by the board of agricul-
ture already has announced he will
start an agricultural journal, proba-
bly with headquarters in his home-
town.
S. E. Strode, agricultural commis-
sioner in charge of the dairy and food
division, whose home formerly was
in Galion, is considering accepting a
position as manager of a system of
large farms in Florida.
C. G. Williams, another member of

the commission, who recently com-
pleted with Governor Willis' request
for his resignation, will not lose his
present position as chief agronomist
at the Wooster Experiment station.
Homer C. Price, dean of the Agri-
cultural College of Ohio State Uni-
versity and ex-officio member of the
commission, has resigned his former
position and will devote himself tem-
porarily to his private farming inter-
ests.
S. A. Hoskin, formerly of Wapa-
koneta, chairman of the state civil
service commission, will enter a Co-
lumbus law firm when he leaves the
commission in about a month, and
he may be associated with a large
financial concern here. Charles H.
Bryson expects to start a newspaper
in southeastern Ohio. It is reported
Charles I. Brown, the other commis-
sioner, is being considered by Gov-
ernor Willis for appointment on the
new civil service board of two mem-
bers, when the present law goes
into effect in about two months.
M. B. Hammond, industrial com-
missioner, will return to Ohio State
University as professor of economics
and sociology when his term expires
June 30. He was a member of the
university faculty formerly, and was
granted a leave of absence to serve on
the industrial commission.
E. R. Debnbaugh, state fire mar-
shal, whose term has expired, will
return to his home at Lancaster soon
and resume his direct interest in his
oil producing and farming business
there.
John I. Miller, superintendent of
public works, expects to go into the
general contracting business in Co-
lumbus as soon as Governor Willis
appoints his successor. He term ex-
pired a week ago. He lived formerly
in Van Wert.
H. G. Williams, normal school in-
spector in the department of public
instruction, whose office will be vac-
ated July 1, because of lack of ap-
propriation by the legislature is in-
terested in a school publication with
headquarters in Columbus and proba-
bly will devote his time to that
temporarily.

after July 1, expects to continue in
educational work.
J. H. Tilton, who quit the position
of chief clerk in the state highway
department this week will remain in
Columbus, his home, and may be con-
nected with the good roads move-
ment.
Charles L. Allen, liquor licensing
commissioner, formerly of Marion,
probably will enter business in Co-
lumbus. Other members of the board,
Byron M. Clendenen of Cincinnati,
and J. H. Seibert of Lima, and the
secretary, Robert S. Hayes of Dayton
have not announced their plans. The
board will be abolished when the new
McDermott law goes into effect in
about two months.

MT. ZION

Mr. and Mrs. James Fowls pleas-
antly entertained the following guests
Sunday: Mr. and Mrs. Jacob Smith
and sons Harry and Layton of Long
Lun; Mr. and Mrs. Milton Evans and

HEBRON LODGE OF ODD FELLOWS HOLDS MEMORIAL

New Secretary-Treasurer for the Electric Light Plant—Many Auto Trips Enjoyed.

(Special to The Advocate)

Hebron, June 18.—I. O. O. F. memorial was held Sunday at 2:30 p. m. at I. O. O. F. hall, Attorney Ralph Miller of Columbus, orator. At 1:30 p. m. the members were joined at the hall by visiting members from Kirkersville, Jacksonport, Millersport and Newark, and headed by the Millersport band, marched to the cemetery where flowers were strewn over the graves of their departed brothers. On returning to the hall, the services were opened by Rev. J. F. Kanuth. Mr. Miller then delivered a masterful memorial with many beautiful thoughts that were very impressive. Rev. H. H. Carter pronounced the benediction.

Mr. and Mrs. Clarence Lawyer who motored to Oklahoma, to deliver an "Overland" to Mr. Tracy Wolf, returned home Sunday evening. They were over two weeks in reaching their destination owing to high waters, however, their trip was made with only two punctures, a distance of over 1500 miles. Mr. Wolf while in Hebron during the winter purchased the machine, of Lawyer and Tavenor who were to deliver it in Oklahoma, where Mr. Wolf is employed in the gas fields. Mr. and Mrs. Harvey Lawyer of Newark, accompanied them, and they all enjoyed the trip very much, but were glad to get back to Ohio, returning by rail.

Miss Bertie Clark succeeds Mr. Walter Andrews, as secretary and treasurer for the electric light plant here. Mr. Andrews who is clerk of council, resigned as secretary and treasurer. The following were elected trustees for the ensuing year: B. T. Burch, Geo. Stinson and B. L. Hawke.

Mr. and Mrs. James Cully left here, Tuesday, for Idaho, to spend a year with their two sons, Thomas and Taylor Cully, who are located on a tract of land, seven miles from "Soda Springs" which is their nearest postoffice. They are about twenty-seven miles from a church and as Mr. and Mrs. Cully were staunch members of M. E. church here and faithful attendants, we know they will miss much of their religious worship, at Idaho, and will be greatly missed at Hebron, however, their friends wish them a safe journey and a happy, contented life with their children.

One of the most delightful meetings of the "Priscilla club" was held on Wednesday at "Cumberland Retreat." Mrs. Clark Cochran, hostess, the afternoon was devoted to needle work, after the business session the hostess, assisted by her two daughters, Mrs. N. E. Vanatta and Mrs. Carl Zontz, invited the merry crowd to the dining room where a self-serve luncheon was spread. The favors were "carnations." The next meeting will be with Mrs. Wm. Comistford, Wednesday, June 23.

Miss Ida Wild of Alabama, who is teaching in a Deaf and Dumb institution at Almira, New York, spent several days with her cousin, Mr. Clark Cochran and wife at "Cumberland Retreat."

Mr. and Mrs. Wayne Taylor and son, Gene, spent Sunday with Mr. and Mrs. Robert Taylor, at Millersport.

Prof. C. S. Coler of Columbus is visiting friends here. Mr. and Mrs. J. D. Peters and Mr. and Mrs. Herman Fox of Zanesville motored to Hebron Sunday and spent the day with Mr. and Mrs. D. P. Burch. On returning home in the

evening, after leaving Newark, the roads were in a terrible condition, owing to the rain which was pouring, down and their auto skidded from one side of the road to the other, until the ladies were compelled to abandon the car at Nashport, taking an electric car home, however, the men had a time of their life, before they reached Zanesville, and much difficulty in climbing hills, one of them had to get out and push, and when they reached home they looked like they had been in trenches fighting Germans. They stated in a letter to Mr. Murch, they would not try a motor trip to Hebron again until the National Pike is completed, which they hoped would be soon.

Messrs. Floyd Cooper and Earl Sands, with their wives, and Mrs. Stella Richards, attended the funeral of their uncle, Mr. C. F. Sands, at Zanesville, Wednesday.

Miss Maude Rebout of Bridgeport, Ill., is visiting Miss Mary Lois Geiger.

Miss Adda House of Defiance was a Sunday guest at the home of D. P. Burch and wife.

Mr. and Mrs. Fisher of Coshocton visited with Mr. and Mrs. J. Lemlev, Saturday and Sunday.

Mr. Clark Cochran has been confined to his home with a very severe attack of rheumatism, for the past week.

An epidemic of mumps is raging to quite an extent in our village. Messrs. B. F. Hawke, D. M. Geiger, P. H. Nislev and Amos Atwood, with their families, attended visitation meeting at Thurston, Sunday.

FRANKLIN

Services at the Lutheran church next Sunday at the usual hour. Sunday school at 9 a. m. Communion service at 10 a. m. At 7:30 p. m. F. L. Dushman, editor of the American Issue will speak in favor of state-wide prohibition.

Robert Africa of Newark was a guest at the home of T. B. Hirst, over Sunday.

Mr. and Mrs. J. H. Orr of Central City and Geo Osborn and family spent Sunday with H. A. Cooper and family.

The regular meeting of the Board of Education will be held Monday, June 21st.

Prof. W. G. Gregory of the Newark High school and family spent Sunday at the home of J. W. L. Mother-paw.

The next meeting of Franklin Grange will be held Thursday, June 24.

W. R. Rutledge who has been seriously ill for several months is no better.

A NON-ALCOHOLIC TONIC

Many people need a tonic at this time of year, old folks, weak folks, thin people, people who are run-down from too much work—and vacation still many weeks away. Nervous people also need a tonic but cannot safely take alcohol.

A non-alcoholic tonic that will build up the blood and strengthen the nerves is what most people need and Dr. Williams' Pink Pills are exactly that.

The one symptom of thin blood that everybody recognizes is pallor. It shows so gradually that other people are liable to notice it before you do. But it is important that you should notice and heed the warning because the thin blood that causes the pallor betrays some drain on the body or some poisoning by its own waste materials that, if not corrected, will result in physical breakdown and ill health.

Dr. Williams' Pink Pills not only build up the blood, but they have a direct strengthening action on the nerves. As they are free from narcotics and any harmful or poisonous drugs they are safe for every member of the family.

Your own druggist sells Dr. Williams' Pink Pills. Write today to the Dr. Williams Medicine Co., Schenectady, N. Y., for the free booklet, "Building Up the Blood" and, if your stomach troubles you, ask for a diet book also.

THE GENII TAKE SEARCHERS BACK TO OLDEN DAYS

The story of Aladdin's Lamp, a wonderful picture of Orientalism deals with the second finding of Aladdin's lamp.

An American, a German, an Englishman and a Frenchman, all members of an international archaeological society find in a ruined temple in the Arabian desert, an old lamp, and as one of the number rubs the dirt from it he wishes that they were back in the days when the lamp cast its rays in an ancient world.

No sooner said than beheld! the genii of the lamp stands before their astounded eyes. He makes known to them that he is a slave of the lamp and tells them he shall comply with their every wish, spreading his magic rays they all sit upon it and are borne back through time and space to ancient China.

Once over the great wall of the forbidden land the genii disappears, leaving them to wander about in this strange land at will.

They are soon caught, however, by the ever-diligent secret service men of the Mandarin and are brought before his majesty, who immediately pronounces upon them the death sentence, at the hand of the royal high executioner.

This order is, however, countermanded, owing to a happy remark made by the American member of the party and the sentence is set aside, providing they will provide a fitting entertainment for his majesty and court. And here is where the fun starts, introducing novelty acts and the latest song hits.

The entire production is staged under the personal supervision of Raymond Zirkel, assisted by Hugh Lindsay, who have an enviable reputation in similar productions throughout the state.

HERMIT KILLED BY LIGHTNING; FOUND IN HOME

(Associated Press Telegram)

York, Pa., June 18.—A hermit since his wife was buried two years ago, John Shutt, 55 years old, was found dead today at his lonely home five miles from York. He had evidently been struck by lightning during a terrific storm last Sunday. The body, which lay beside a fence near the house, was badly disfigured, the clothing was in shreds and the shoes had been torn off. The lightning had plowed a furrow nine feet long in the ground.

WOMAN AUTHOR DEAD; AGED 72 YEARS.

(Associated Press Telegram)

Chicago, June 18.—Mrs. Elizabeth Armstrong Reed, 72, mother of the late Myrtle Reed, the novelist, and herself a widely known authoress, is dead at her home here today.

Mrs. Reed's researches in Oriental literature are known throughout the world. Her works are being used as text books in colleges wherever there are chairs of Oriental literature. She was the only woman whose works have ever been accepted by the philosophical society of Great Britain.

New School House. Moore Brothers of Columbus are just starting the foundation on a new brick school house at Etna. The building will adjoin the Etna hotel. Will Open Restaurant.

Mr. J. W. Albery of South Fifth street, who has moved his residence to Summit Station, expects to open a restaurant in Summit within a few days. Mr. Albery who has long been a reader of this paper, has ordered the Advocate to follow him to Summit.

Ice Cream Social. The Whippoorwill Camp Fire Girls of the Y. W. C. A. will give an ice cream social and candy sale at Sherwood Park Saturday afternoon beginning at 4 o'clock. The proceeds will be used to defray the girls' expenses for a fortnight at "Camp Kill-Kare." The public is invited.

Ralph Miller Promoted. Ralph B. Miller, son of Mr. and Mrs. E. S. Miller of Hudson avenue, who has been teaching English and history in the Soldan high school, St. Louis, has just been made first assistant in the Sodian school with an increase in salary. The Sodian high school which enrolls 5000 students is one of the largest and best in the United States.

Fare is "Two Jitneys." The automobile service between Newark and Granville recently established, is being well patronized. The auto leaves the Roe Emerson corner each hour on the hour for Granville, the fare being 10 cents for a single trip.

Will Attend Summer School. Prof. O. J. Barnes, principal of the Newark high school, expects to leave for New York the first week of July to attend summer school at Columbia.

Good Wool Prices. Wool is bringing from 30 to 33 cents a pound, but not much is being brought to the local markets as farmers are holding their wool believing that it will command at least 35 cents in the very near future.

Charged With Burglary. Special Constable Charles Moore returned from Columbus early this morning bringing with him Samuel, alias "Red" Davis, to answer to a charge of burglary made against him by F. W. Vandorn, manager of The Pataskala Merchandise Company's store, the affidavit charging Davis with stealing merchandise to the value of \$500. The preliminary hearing will be before Justice Fletcher S. Scott.

Entertained His Friends. After the Elks outing of Beach Island yesterday, Fred B. Goodwin entertained several of his brother Elks with a moonlight ride on the lake in his fast launch, "The Goodie." Mr. Goodwin has one of the best equipped boat houses on the lake and

is an enthusiast at motorling. He expects to attend the regatta at Put-in-Bay this summer and has been invited to drive one of the power boats in the five mile contest.

Birth Announcement. Announcement is made by Mr. and Mrs. Orville Martin of Boston, Mass., of the birth of a daughter. Mrs. Martin was formerly Miss Bertha Penny of this city.

Fractures Right Arm. Mrs. A. B. Crane, residing at 239 West Locust street, fell from a cherry tree at her home on Thursday evening and suffered a collar's fracture of the right arm. Dr. C. F. Legge was called to dress the injury.

Cattle Barn Destroyed. The barn of George Hupp, residing one and one-half mile southwest of Linville burned to the ground last night at 10 o'clock. The barn was situated about a quarter of a mile from the Hupp home and was used as a sheep, hog and cattle barn. A quantity of grain and hay was destroyed as well as farming implements. The barn and contents were partly insured.

Bitten By Dog. While walking along the street in Utica this morning, Mr. Landers of that city, was bitten by a cross bull dog. The dog fastened his teeth in the calf of the right leg, inflicting an ugly wound. Mr. Landers came to Newark, where Dr. H. H. Postle cauterized the wound.

At the Auditorium. Aladdin's Lamp will be given by Aladdin Temple of Columbus at the Auditorium theater next Thursday night, the date of the dedication of the Masonic temple.

Readers' View Point

Punctuation. Editor of Advocate—In an advertisement recently I saw these words: "Men's women's and Children's dependable shoes." I asked a well known Newark minister, a Newark lawyer and a business man whether the words were correctly punctuated and got a different answer every time. Please give me the correct punctuation and oblige, READER.

Men's, women's and children's dependable shoes. That is the correct way to punctuate the words. The apostrophe should come before the "s" in each word "men's", "women's" and "children's" because the words "men", "women" and "children" are plural and the possessive is formed by the apostrophe and the letter "s". If it were necessary to use the letter "s" in order to form the plural as in "pencil", "pencils" then the apostrophe should follow the "s" if the plural form is desired. There should be a comma between the words "men's" and "women's" in the copy you submitted.

Alva H. Grandstaff, telegraph operator, and Miss Jeanette L. Hatfield, both of Croton. Rev. W. D. Ward to officiate.

Common Pleas Court.

Mrs. Florence Thompson of near Granville, has brought suit in common pleas court against Annabel Owens and David Owens for the alienation of her husband's affections. She claims defendants. David Owens, father of Annabel Owens, and the latter, induced her husband to leave her on May 22, 1915, and caused plaintiff to lose the affection of her husband. That by reason of the wrongful acts of defendants, plaintiff has been deprived of the comfort, society, aid, services, support and love of her husband, and has been put to great trouble and expense and has suffered great distress of body and mind to her damage in the sum of \$5000.

"AM CURED," SAYS
JOHN P. JONES

North Fifth Street Man Tells How Nerv-Worth Made Him Clear Over.

Some time ago in these columns a convincing endorsement of Nerv-Worth given by John P. Jones, of 251 North Fifth street, was printed in these columns. Mr. Jones had been the victim of nervous disorders and he reported having derived marked benefit from Nerv-Worth. Now he comes out with a supplementary statement which no one should miss reading. Here it is:

Newark, June 5, 1915.

The T. J. Evans Drug Store, City: Gentlemen—I have taken three bottles of Nerv-Worth and am cured. Sometimes I have a little headache but then I take a dose or two of the remedy and the trouble is all over. No nervousness at all and I rest fine at night. Am in excellent health.

(Signed) John P. Jones.

Coming from such a man and in such words could any evidence be more conclusive? Buy Nerv-Worth at the Evans Drug Store, Warden block, \$1.00 a bottle. Money back if it fails you.

EXTRA TRIP FOR
HOSE NECESSARY IN
FIRE THIS MORNING

Fire which originated from a burning curtain, which ignited while a daughter was ironing clothes in her mother's absence, almost resulted disastrously to the house occupied by Daniel Baughman of East Main street, east of Madison avenue. The house was outside of the city limits and when the East Newark hose company stretched its line of hose, it found that the line was 150 feet short. A trip back to the East Newark house was necessary before the stream of water could be turned on the blaze. In the meantime, the truck from headquarters arrived and by using the chemical, they were able to keep the blaze in check until the return of the crew with the extra hose. The line when completed was 1100 feet long and the blaze was soon extinguished when the water was turned on. The loss was estimated at about \$100.

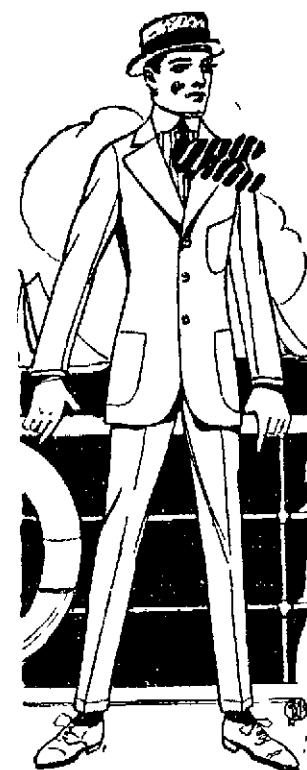

Parole Officer Here.

Miss Emily Greer, parole officer at the Girls' Industrial School at Delaware, was a visitor in the city today and called on Mrs. Mary Miller, probation officer of the Licking county juvenile court. Miss Greer came to take charge of a young girl from the north end who has been re-committed to the school after having been out on probation for the past four months.

AUSTRO-GERMAN SUCCESSES ARE DEARLY BOUGHT

TENS OF THOUSANDS OF MEN SACRIFICED BY GENERAL VON MACKENSEN

In Turning the Russian Right Wing, and Carrying Stry—Austrians Exhausted.

(ASSOCIATED PRESS TELEGRAM)

Petrograd, Via London, June 18.—An official review of some recent occurrences on the Austrian front which among other things calls attention to the fact that the progress of the Austro-German forces in Galicia has been dearly bought, was given out in Petrograd today. It reads:

"The development of the battle along the Tisamenitzka Sevlka front, along which one of the six armies attacking our forces in Galicia is operating, will serve to give some idea of the magnitude of actions in this region. The significance of the operations in the vicinity of Stry is found in the fact that they were making an endeavor to turn our front, opposed to the Phalanx under General Von Mackensen. The eventual successes of the enemy in the direction of Stry and Lemberg will be of great help to the offensive of General Mackensen. Failure, on the other hand, would have meant that Mackensen's operations were merely a series of fruitless futile attacks. The above referred to a sector on the Dniester river, however, but was not the scene of the principal fighting even with regard to the number of troops engaged. On May 15 the enemy, closely following our troops retiring to the Carpathinas, met our opposition in the region to the east of Drohobycz northwest of Stry and in the vicinity of Belachow. On the 19th the enemy brought all his forces into action but at the end of two days he was compelled to quit his offensive, having lost tens of thousands of men.

"His only success in 8 days fighting was the turning of our right wing near Slonsko with the threat of a possible outflanking movement. During this week we remained passive, confining our operations to exterminating the enemy as he approached our trenches. The next four days were devoted by the enemy to bringing together heavy artillery and supporting detachments.

"May 25, saw the beginning of the decisive attack, and the crisis came on the fifth day of the fighting. A powerful force, composed of three German divisions succeeded at the price of incredible sacrifices, in carrying Stry. Perceiving the exhaustion of the Austrians attacking us—they constituted the right wing of

TWO WOMEN ARE MADE HAPPY BY PURSES' RETURN

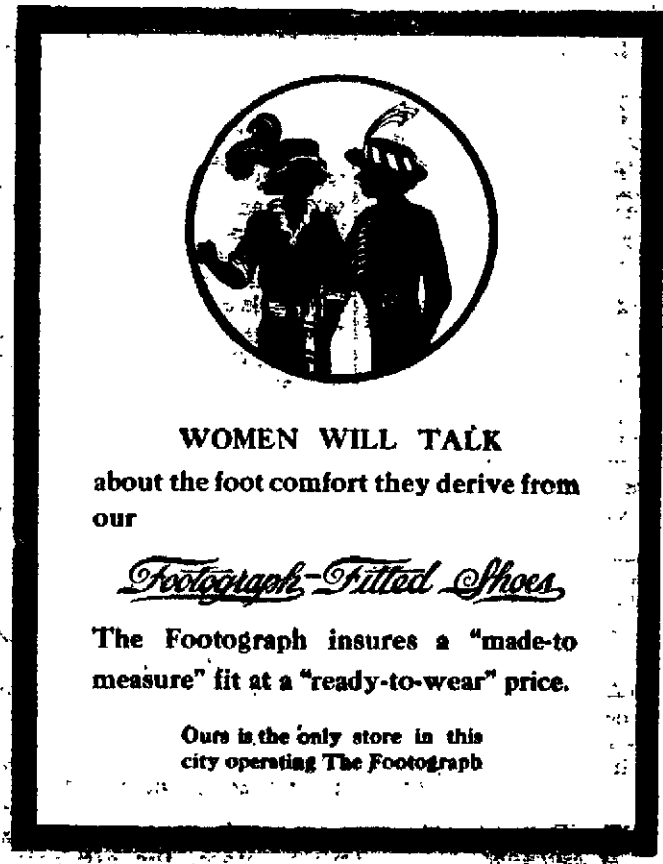

Late yesterday afternoon Manager Paul Helm of the International Tea company in West Park Place discovered a woman's handbag in his place of business which upon investigation was found to contain a little over \$300 in cash. Later the woman called and was overjoyed to have her property restored to her.

About the same time another well known young woman residing in West Main street had been shopping and had an arm full of bundles. She stopped at the Gleichauf furniture store on her way home and later discovered that her hand bag was missing. It was a handsome bag and contained \$30 in money, a pair of valuable gold nose glasses and a number of trinkets dear to the heart of femininity. The aforesaid young woman was happy early this morning to receive a telephone message from the Gleichauf store informing her that her handbag with contents intact had been found by one of the employees.
